

**A 06 WAGE-BASED PREMIUM CALCULATION**

If the premium for this policy is (also) calculated on the wage, wage is understood to mean "wages subject to payroll tax" ["*heffingsloon*"]. The wage must be increased by the total amount paid for temporary staff, (sub)contractors and other persons employed who are not on the payroll, as well as the maximum contribution base for social insurance pursuant to the Work and Income (Capacity for Work) Act [*Wet werk en inkomen naar arbeidsvermogen*] for each owner/partner.

*The VNAB model policy conditions and clauses only serve as **model**. They may be adjusted by alterations, additional provisions and/or clauses. VNAB market parties are free to offer other policy conditions to their customers.*

*The official title of these conditions is: "A 06 Premieberekening op basis van het loon". The wording is available via the website of the Netherlands Insurance Exchange Association, [www.vnab.nl](http://www.vnab.nl).*
