G 10

CLAUSE "RISK AFTER DISCHARGE"

If according to the conditions of this insurance the risk for the insurer has not already terminated at an earlier moment, this risk terminates in any case after the elapse of 60 full days after discharge of the goods from the oversea vessel at the final port of discharge.

In case of differences between the wording of these conditions and the Clause "Risk after Discharge" (Clausule "Risico na Lossing") which was filed on 7th December 2005 with the Dutch Co-Insurance Association, the provisions of the latter shall prevail.

This clause has been translated from the original Dutch wording. In case of differences between the wording of this clause and the original Dutch wording, the provision of the latter shall prevail.

The wording of the Bourse conditions is available via the website of the VNAB (Dutch Insurance Exchange Association), www.vnab.nl.
