

## A 01 PRIORITY RULE (ON SCHEDULE OR AT THE TOP OF THE CLAUSES SHEET)

If the policy (including the schedule and/or policy endorsement, General and Special Conditions and any other conditions) contains any provision that is contrary to specific conditions, the unmentioned conditions remain in full force and effect. Insofar as the wording of the conditions which have been stated to apply contains any contradiction, the following priority rule applies: clauses take precedence over the General and Special Conditions.

*The VNAB model policy conditions and clauses only serve as **model**. They may be adjusted by alterations, additional provisions and/or clauses. VNAB market parties are free to offer other policy conditions to their customers.*

*The VNAB is not liable for the application or contents of the model conditions and clauses.*

*If you're looking for previously published (older) conditions, please contact the VNAB.*

*The official title of these conditions is: "Voorrangsregel (Op polisblad of boven op het clauseblad)". The wording is available via the website of the Netherlands Insurance Exchange Association, [www.vnab.nl](http://www.vnab.nl).*
